Building a New Future

The Future must begin with the Past. Therefore we start with a Senior's reflection.

Backward, Turn backward, O Time, in your flight
Make me a Normalite, just for tonight;
Let me go back to that old school hall,
Let me again respond to each call,
Whether to classroom, to chapel, to dine,
Let that old life again be mine.

Backward, Turn backward, O Time, in your flight
Make me a Normalite, just for tonight,
Give me again my old school task
O just for tonight, tis all I ask,
Joy and sorrow, cloud, sunshine,
Let that old life again be mine.

Backward, Turn backward, O Time, in your flight
Make me a Normalite, just for to-
night,
Fain would I wander over campus
green,
Fain would I live over many a scene;
In morning's hour or day's decline,
Let that old life again be mine.

Our reactivated chapter held an officer induction ceremony, sponsored an Oktoberfest booth, attended the Fall Conference at JMU. Competed in the state Convention in Staunton and participated in several community service projects. After 10 inactive years, Phi Beta Lambda has certainly made a comeback with a very busy year.

WHEN THE BUYING PUBLIC IS BEING MISLED IT'S TIME FOR SOMEONE TO SAY SOMETHING.

There are people taking advantage of your not being able to evaluate items such as diamonds, pearls, colored gemstones, and most fine jewelry. They are claiming highly inflated "retail" prices and advertising so-called "discount" prices, leading you to believe you're getting a "bargain".

Remember that if a price looks too good to be true, it probably means that the jewelry is of lower quality than you are expecting.

How can you be sure you're getting what you are paying for? Go to someone you trust...the reliable jeweler who has the knowledge, the integrity, the quality and the service—at the right prices all the time.

We don't advertise "discounts". Our prices are always fair.

WE'RE THE BANK THAT SERVES ONLY TWO STATES. VIRGINIA AND EXCELLENCE.

While other banks are dedicating their energies to conquering other states, Central Fidelity has chosen a different course . . . to become the very best bank right here. Because we believe serving Virginians well is challenge enough. And we intend to become the bank whose standards of performance match your most demanding expectations.

Hometown Service At A Strong, Well-Managed Bank

At First Virginia, we have two basic goals. We want to give our customers the friendly, hometown service they deserve and provide the communities we serve with a financial institution they can depend on.

We value each of our customers a great deal. We feel that providing prompt, friendly, "old-fashioned" service is the way to build long lasting relationships.

We also take great pride in the financial strength of First Virginia. A recent report published by Legg Mason Wood Walker, Inc. stated, "In our opinion, First Virginia . . . is one of the highest quality regional banks in the nation."

So, if you're looking for friendly, hometown service from a strong, well-managed bank, talk to a First Virginia banker.
